

## Curriculum Vitae

**JOHN F. GOLAN, M.D.**

**ADDRESS:** North Shore Vascular Associates, Ltd.  
495 Central Avenue Suite 200  
Northfield, Illinois 60093  
847-441-2700

### **BACKGROUND**

Born: November 14, 1953  
Chicago, Illinois  
Marital Status: Married, Diane Golan  
Children, Grace & Emily

### **EDUCATION**

5/11/75 Duke University  
Durham, North Carolina  
Magna Cum Laude  
Member of Sigma Chi Fraternity  
Degree: B.S.

6/10/78 Loyola Stritch School of Medicine  
Maywood, Illinois  
Degree: M.D.

Postgraduate:

7/1/78 - 6/30/83 Residency: General Surgery  
Loyola University Medical Center  
Maywood, Illinois  
Chief, Dr. Robert Freeark

7/1/83 - 6/30/84 Chief Resident, Peripheral Vascular Surgery  
Baylor University Medical Center  
Dallas, Texas  
Chief, Dr. Jesse Thompson

**CERTIFICATION**

1979	National Board of Medical Examiners
2/28/84	American Board of Surgery (#29365)
10/22/93	Recertified in General Surgery
5/24/89	Certificate of Added Qualification in General Vascular Surgery from the American Board of Surgery (#100109)
10/08	Recertified in General Vascular Surgery

**MEDICAL LICENSURE**

1979 - Present	Illinois (#036-059937)
----------------	------------------------

**HOSPITAL APPOINTMENTS**

1985 - 1988	Assistant Attending Evanston Hospital
1996 - 2002	Swedish Covenant Hospital Chicago, Illinois
1985 - 1994	Consultant Lakeside Veterans Administration Hospital Chicago, Illinois
1988 - Present	Attending North Shore University Health System
1991 - 2005	Director, Non-Invasive Vascular Laboratory Evanston Northwestern Healthcare
1999 - 2005	Chief, Division of Vascular Surgery Evanston Northwestern Healthcare

**ACADEMIC POSITIONS**

1985 - 1988	Associate Clinical Surgeon Northwestern University Medical School Chicago, Illinois
1985 - 2002	Director, Undergraduate Surgical Education Northwestern University Medical School Chicago, Illinois
1988 - 2009	Assistant Professor, Clinical Surgery Northwestern University Medical School Chicago, Illinois
2009 – Present	Senior Clinician Educator Pritzker School of Medicine Chicago, Illinois

### **ASSOCIATIONS**

Alpha Omega Alpha Honor Medical Society  
American College of Surgeons, Fellow  
Society for Vascular Surgery  
Peripheral Vascular Surgical Society  
Midwestern Vascular Surgical Society  
Chicago Surgical Society  
Society for Vascular Ultrasound  
Illinois State Medical Society  
Chicago Medical Society

### **BOARD APPOINTMENTS**

1998 - 2004	ENH Medical Group Board of Directors
2004 – Present	Scientific Advisory Board AngioDynamics, Inc., Queensbury, New York

### **BIBLIOGRAPHY**

1. Golan JF, Mason J. A community hospital experience with the distal splenorenal shunt. *St. Francis Hospital Journal*, June 1981.
2. Littooy FL, Golan JF. Intimal Hyperplasia and I Medial Thickness Autogenous Vein Bypass Grafts: Influence of Anastomosis and Platelet Inhibiting Drug. *Association of Academic Surgery*. Chicago, Illinois, November 1981.
3. Golan JF, Garrett WV, Smith BL, Talkington CM, Thompson JE. Persistent sciatic artery and vein, an unusual case. *J Vasc Surg* 1986; 3:162-5.
4. Greisler HP, Ellinger J, Schwarcz PN, Golan JF, Raymond RM, Kin DU. Arterial Regeneration Over Polydioxanone Prosthesis in the Rabbit. *Arch Surg* 1987; 122:715-721.

6. Golan, JF. Vascular Graft Infection. *Infectious Disease. Clinics of North America*, June 1989; 3: 247-258.
7. Dobrin PB, Golan JF, Fareed J, Blakeman B, Littooy FN. Pre-vs postoperative pharmacologic inhibition of platelets: Effect on intimal hyperplasia in canine autogenous vein grafts. *J Vasc Surg* 1992; 33:705-709.
8. Schneider JR, Size GP, Laubach M, Krutzler SM, Kelleher JP, Martchev DL, Antonetti JM, Musson AM, Field JP, Erickson EJ, Zwolak RM, Caprini JA, Golan JF. Estimation of velocity and volume flow in native arteries and bypass grafts using the duplex scanner: Current status and limitations. *Video Journal of Color Flow Imaging* 1993; 3:81-93.
9. Schneider, JR, Golan JF. The Role of Extra Anatomic Bypass in the Management of Bilateral Aortoiliac Occlusive Disease. *J Vasc Surg Vol.7, No.1, 1994; 7:35-44.*
10. Schneider JR, Silverman IM, Quigley RL, Golan JF. Successful color duplex guided compression thrombosis of a post-catheterization brachial artery pseudoaneurysm. *J Vas Tech* 1994 18 (6): 361-363.
11. McMillan WD, McCarthy WJ, Bresticker M, Pearce WH, Schneider JR, Golan JF, Yao JST. Mesenteric artery bypass: Objective measurement of primary patency. *J Vasc Surg* 1995; 21:729-41.
12. White DB, Schneider JR, Hoffman K, Size GP, Coates R, Krutzler SN, Laubach M, Erickson EJ, Caprini JA, Golan JF. Association between carotid bifurcation disease and risk factors for atherosclerosis. *Vasc Surg* 1996; 30:495-503.

13. Langella RL, Schneider JR, Golan JF. Color duplex guided compression therapy for post-catheterization pseudoaneurysms in a community hospital. *Ann Vasc Surg* 1996; 10:27-35.
14. Schneider JR, Gottner RJ, Golan JF. Supraceliac vs. infrarenal cross-clamp for repair of non ruptured infrarenal and juxtarenal abdominal aortic aneurysm. *Cardiovascular Surgery* 1997; Vol. 5, No. 3:279-285.
15. Schneider JR, Droste JS, Golan JF. Carotid endarterectomy in women vs. men: patient characteristics and outcomes. *J Vasc Surg* 1997.
16. Schneider JR, Droste JS, Golan JF. Impact of carotid endarterectomy critical pathway on outcome and hospital stay. *J Vasc Surg* 1997.
17. Schneider JR, Droste JS, Golan JF. Impact of Critical Pathways on Surgical Outcome and Hospital Stay. In Yao JST, Pearce WH. Practical Vascular Surgery. Norwalk, Connecticut, Appleton and Lange, 1999, pp. 13-22.
18. Schneider JR, Droste JS, Schindler N, Golan JF. Carotid endarterectomy in octogenarians: comparison with patient characteristics and outcomes in younger patients. *J Vasc Surg* 2000 31:927-35.
19. Schneider JR, Droste JS, Schindler N, Golan JF, Bernstein LP, Rosenberg RS. Carotid endarterectomy with routine electroencephalography and selective shunting: Influence of contralateral internal carotid artery occlusion and utility in prevention of perioperative strokes. *J Vasc Surg* 2002 35:1114-22.
20. Golan JF, Droste JA. Laser treatment of varicose veins. In Pearce WH, Matsumura JS, Yao JST. Trends in Vascular Surgery 2003. Chicago and Los Angeles, Precept Press, 2004, pp. 465-471.
21. Golan, JF, Glenn, DM. Endovenous Laser Therapy. In Pearce WH, Matsumura JS, Yao JST. Trends in Vascular Surgery 2007. Evanston, Greenwood Academic, 2007, pp. 455-463.
22. Golan, JF, Glenn, DM. Laser and Radiofrequency Endovenous Ablation of Venous Reflux. *Perspectives in Vascular Surgery and Endovascular Therapy*, March 2008, 75-79.

## **PRESENTATIONS**

1. Golan JF, Garrett WV, Smith BL, Talkington CM, Boyd P, Thompson JE. A prospective evaluation of carotid artery stenosis and carotid plaque morphology. Winner of President's

- Award of the Southern Association for Vascular Surgery. Presented at 1985 Annual Meeting.
2. "Lower Extremity Arterial Occlusive Disease". Osler Institute-Family Practice Review course - for surgeons. Chicago, IL July 9, 1989.
  3. "Lower Extremity Arterial Occlusive Disease". Osler Institute-Family Practice Review course - for internist/family practice. Chicago, IL. September 9, 1989.
  4. "Detailed Vascular Anatomy from Heart to Toe and Normal Physiology." Presentation: Vascular Conference. Chicago, IL. November 19, 1991.
  5. "Association Between Carotid Bifurcation Disease and Risk Factors for Atherosclerosis." by White DB, Schneider JR, Hoffman K, Size GP, Coates R, Krutzler SN, Laubach M, Erickson EJ, Caprini JA, Golan JF. Presented at the 17th Annual Conference of the Society of Vascular Technology, Orlando, Florida, August 5, 1994.
  6. "Color duplex guided compression therapy for post-catheterization pseudoaneurysms in a community hospital." by Langella RL, Schneider JR, Golan JF. Presented at the 18th Annual Meeting of the Midwestern Vascular Surgical Society, Cincinnati, Ohio, September 24, 1994.
  7. "Mesenteric artery bypass: Objective measurement of primary patency". by McMillan WD, McCarthy WJ, Bresticker M, Pearce WH, Schneider JR, Golan JF, Yao JST. Presented at the 18th Annual Meeting of the Midwestern Vascular Surgical Society, Cincinnati, Ohio, September 23, 1994.
  8. "Supraceliac vs. infrarenal cross-clamp for repair of nonruptured infrarenal and juxtarenal abdominal aortic aneurysm." Schneider JR, Gottner RJ, Golan JF. Presented at the 5th Annual Winter Meeting, Peripheral Vascular Surgery Society, Breckenridge, Colorado, January 27, 1995.
  9. "Carotid endarterectomy in women vs. men: patient characteristics and outcomes." Schneider JR, Droste JS, Golan JF. Presented at the 20th Annual Meeting of the Midwestern Vascular Surgical Society, St. Louis, Missouri, September 28, 1996.
  10. "Impact of carotid endarterectomy critical pathway on outcome and hospital stay." Schneider JR, Droste JS, Golan JF. Presented at the 7th Annual Winter Meeting, Peripheral Vascular Surgery Society, Breckenridge, Colorado, January 17, 1997.
  11. "A Multidisciplinary Approach to Foot Wound Management", Evanston Northwestern Healthcare Medical Grand Rounds, January 2001.
  12. "Vascular Emergencies", Critical Care Nursing Symposium, Evanston Northwestern Healthcare, September 27, 2002.

13. “Minimally Invasive Greater Saphenous Vein Ablation”, Great Lakes Endovascular Symposium, Dearborn, MI, September 4-5, 2003.
14. “Laser treatment for varicose veins” Golan JF, Droste JA. Presented at Trends in Vascular Surgery 2003, Northwestern University Vascular Meeting, Chicago, Illinois, December 11-13, 2003.
15. “Endovenous Laser Obliteration of the Greater Saphenous Vein: Who’s Not a Candidate”, Society of Interventional Radiology Annual Scientific Meeting, Phoenix, AZ, March 25-30, 2004.
16. “Current Management of Varicose Veins” Golan, JF. Presented at New Horizons in Vascular Disease, New Orleans, LA, November 2-3, 2006.
17. “Endovenous Laser Therapy” Golan, JF. Presented at Trends in Vascular Surgery 2006, Northwestern University Vascular Meeting, Chicago, Illinois, December 14-16, 2006.
